

Ranking & Rating system 2016

**SOLID AIR**

Please find below the notation system and your company's rating which reflects the quality of the file(s) you sent in the frame of your participation in the EMI programme.

Rating system	Delay	Mistakes
<b>5 points</b>	File received very in advance	File with no mistake
<b>4 points</b>	File received slightly in advance	File with a slight mistake
<b>3 points</b>	File received on time	File with many mistakes
<b>2 points</b>	File received just after the deadline	Second file with a slight mistake
<b>1 point</b>	File received late	Second file with many mistakes
<b>No point</b>	File received very late	Third file

Once we've got the final mark, we make an average in order to allocate stars (1 point for 1 star):

File in advance, no mistake

**No stars:**

Big delay **and** many mistakes
